## PREVENTIVE MEASURES

### DON'T BE TAKEN ABACK BY OUR ACTIONS DURING THESE DAYS

We don't want to alarm, these are simple but necessary preventive measures at the moment.

### WE ARE VERY WARM AND HOSPITABLE WITH OUR SERVICE BUT DURING THESE FEW DAYS WE WILL:

Refrain from non-essential contact like shaking hands

Stay at a precautionary distance

### WHAT WE ARE DOING TO HELP:

Make available sanitising products for your use

Wiping surfaces with disinfectant regularly

Facilitating the flow of fresh air

We kindly ask you to exit this premises without touching anything, and not to interact with staff if you might have come in contact with the virus by travelling to high-risk areas or knowingly having been around people coming from high risk areas for the last 14 days.

### WHICH ARE THE HIGH-RISK AREAS?

#### **Northern part of Italy**

Lombardy, Piedmont, Veneto and Emilia Romagna

**China** (including Hong Kong)

**Singapore**

**Japan**

**Iran**

**South Korea**

If you experience any flu symptoms (coughing, shortness of breath, sneezing and fever) the world health organisation is advising everyone to stay at home until symptoms go away.
