abigail.mamo@smechamber.mt

1. Background information

Malta Chamber of SMEs, is the main representative for micro, small and medium businesses in Malta. The SME Chamber represents a wide variety of economic sectors of different sizes. Malta Chamber of SMEs was founded 70 years ago as an organisation dedicated to defending the rights of small retailers. Nowadays, the SME Chamber has grown to include all economic operators representing all economic sectors. Throughout the years, Malta Chamber of SMEs has upgraded their status to that of a social partner, and are now recognised as an employers' body and is one of the most important and biggest interest groups in Malta. A non-political organisation, the SME Chamber works to ensure mutual cooperation with the relevant authorities.

One of the methods the SME Chamber represents its members is by organise a number of information sessions, webinars, seminars and conferences in order to inform its members and keep members up to date with new legislation and also to consult with its members on a number of matters in order to ensure that social dialogue takes place and that the majority of members are reached.

From the lessons learnt from the past year and based on the level of engagement with members, Malta Chamber of SMEs has shifted part of its outreach online and today organizes the majority of its activities online.

The organisation has identified a need to improve the capacity of the employees of the organisation to become more efficient, reach and engage the target audience better and improve their ability to become more proficient in what they do and beyond.

The aim of this call for quotation, is to improve the communication arm thus improving the overall service and engagement. This call is therefore for the Procurement, and supply of equipment for employees working within the Malta Chamber of SMEs which are aimed will be able to cater for the current and future needs of the SME Chamber.

This is being done through a project called ESF.04.159 - 'Leading and Delivering Dialogue Effectively, Representatively (LADDER)' – a project part-financed by the European Union in accordance with the rules of the European Social fund 2014 – 2020, Operational Programme II.

Operational Programme II – European Structural and Investment Funds 2014-2020
"Investing in human capital to create more opportunities and promote the well-being of society"

Project part-financed by the European Social Fund
Co-financing rate: 80% European Union Funds; 20% National Funds

2. Dates

Interested parties are to submit their quotation by **24th March 2021 at 12:00pm**. The project. Quotations and any supporting documentation can be received either by hand or by email. Contact details can be found under section 11 below.

The contractor is to ensure that all equipment is to be installed **by not later** than end May 2021.

3. Objectives of Equipment

Through the installation of the Complementary Employee Setup, the SME Chamber aims to:

- Improve its overall communication ability and versatility
- Improve the working flexibility of staff members working within the Malta Chamber of SMEs.
- Be able to hold online presentations and interact with members effectively.
- Investment done will enable employees in their work and will support in the strengthening of social dialogue.
- Enable staff members to be able to work remotely, thus promoting a healthy work life balance.
- Promote the use of remote working tools enabling staff members to effectively communicate with members remotely.
- Seeks to ensure that all equipment procured can support additional add-ons in order to support persons having accessibility issues, should this be required in the future.

4. Specific Provisions

Malta Chamber of SMEs requires the supply of IT equipment to be supplied to the Malta Chamber of SMEs, to be used by staff members. IT equipment purchased will be scalable and able to support accessibility issues should there be the need.

	the products are in conformity with the contract specifications at no additional cost. This shall cover battery defects.
--	--

5. Warranty

The above specified items shall be covered by at least 2 years of warranty on parts and labour.

6. Logistics and Supply

The contractor is to guarantee that the above-mentioned provisions are supplied and installed by not later than end of May 2021.

Delivery location is: 43/45, Kapuccini Street, Floriana, FRN 1052.

7. Award Criteria

Responses are to be straightforward, clear, concise and specific to the information requested.

In order for submissions to be considered complete, Economic Operators must provide all the requested information mentioned in this document as well as any other technical specifications, documentation, comments, observations or suggestions which potentially may assist the Contracting Authority in the call for Quotation and which are over and above the financial offer submitted.

The award criteria for this Call for Quotations is the **cheapest technically compliant offer**.

Once bidder is awarded (based on the above point), bidders are given the opportunity to file a notice of objection with the Review Board/Appeals Board within five (5) calendar days from the date of notification.

8. Payments

Payment (100%)	Payment will be made against an invoice presented following supply and presented to the contracting authority. Invoice is to be presented to contracting authority not later than 30 days following installation.
----------------	---

9. Financing

The project is part-financed by the European Union in accordance with the rules of the European Social fund 2014 – 2020, Operational Programme II.

10. Other terms and conditions

The Malta Chamber of SMEs reserves the right to ask for any amendments and make changes to the agreed provisions, as it deems fit. This is to ensure that the expected objectives and results are met.

The Malta Chamber of SMEs is entitled to suspend the performance of the service and supply or any part thereof for such time and in such manner as it may consider necessary, without thereby incurring any damages.

Where the award procedure or execution of the agreement is vitiated by substantial errors or irregularities or by fraud, shall suspend execution of the agreement.

Where such errors, irregularities or fraud are attributable to the service provider, the SME Chamber may in addition refuse to make payments or may recover amounts already paid, in proportion to the seriousness of the errors, irregularities or fraud.

The suspension of the agreement is intended to allow the SME Chamber to verify whether presumed substantial errors or irregularities or fraud have actually occurred. If they are not confirmed, execution of the agreement shall resume as soon as possible.

The Supplier is to ensure that all services, documentation and through this procurement process comply with the requirements of the Equal Opportunities Acts of 2000.

Should you require any additional information regarding the call for quotation, please submit your queries by 18th March 2021. Details of the contracting authority can be found below.
